

SUMMER ACTIVITIES

AVAILABLE JUNE, JULY & AUGUST

BUTTERFLIES EVERYWHERE

Where do butterflies fit into the Nebraska life cycle? Do other species depend on butterflies? What natural elements are critical to butterfly species? Find the answers at Arbor Day Farm. Price includes a one hour guided tour, activities and all day admission to the Tree Adventure. \$5.00 per student and \$7.00 per adult. 20 person minimum

AT THE WATER'S EDGE

Along the Exploratory Trail, discover animal tracks and the delicate biomes of South Table Creek. Price includes a one hour guided tour, activities and all day admission to the Tree Adventure. \$5.00 per student and \$7.00 per adult. 20 person minimum

NATURE SCAVENGER HUNT

Your tour guide will orient your teams and give you clues to find the shapes of nature, wildlife habitats and tracks. Bring your sharp observation skills and proper outdoor shoes, along with a digital camera if you like. Price includes a one hour guided tour, activities and all day admission to the Tree Adventure. \$5.00 per student and \$7.00 per adult. 20 person minimum

SPEAK FOR THE TREES

Immerse your students in the lives of trees with the Tree Factory Activity. A multisensory role playing activity in which students learn the components and systems of trees. Your tour guide will then assist students in exploring the history of trees recorded in tree rings. Price includes a one hour guided tour, activities and all day admission to the Tree Adventure. \$5.00 per student and \$7.00 per adult. 20 person minimum

DISCOVERY RIDE

All aboard for a front row view of nature! Embark on the Discovery Ride, a 45-minute-long guided journey deep into the forest at Arbor Day Farm Tree Adventure. Travel over the creek bed and through the orchards with an experienced tour guide who shares the rich history and bright future of these 260 acres. Additional \$2.50 per person
